Signature Features

Precision Temperature Controls

Keep your white, red or sparkling wine at the perfect temperature with exterior LED temperature controls, which can be easily adjusted from 46°F to 65°F (8°C-18°C) with the touch of a button.

LED Temperature Display

Easily see the temperature of your wine cooler with an LED temperature display, which can be viewed in Fahrenheit or Celsius depending on your preference.

Amazingly Quiet

Only notice your wine cooler is there when you want to with this thermoelectric wine cooler, which is quieter than a traditional compressor model.

6-Bottle Capacity

Gain more room in your refrigerator with this space-friendly wine cooler that holds up to six bottles of your favorite wine. This cooler is perfect for small get-togethers and wine-lovers who always like to have a few bottles on hand.
